INAUGURAL FAITHFUL FAMILY CONFERENCE
TO BE HELD MARCH 13, 2021

Join us to Learn More about God's Design for the Family

Blackshear, Ga. (November 6, 2020) — Winston Churchill said, "There is no doubt that it is around the family and the home that all the greatest virtues... are created, strengthened and maintained." In today's world, though, the family is under attack. As Christian parents, we must be active and purposeful in cultivating virtue, wisdom, and character in the hearts and minds of our children. Let Cord of Three help you achieve this by providing the tools you need to strengthen and grow the spiritual health of your family.

On March 13, Cord of Three Counseling Services will host its Inaugural *Faithful Family Conference*. Our focus for this year's conference is **Faithful Families**. This is a crucial time for families in America, and we want to partner with you in helping to equip families to remain faithful to God AND be intentional in raising up a new generation of young men and women who remain faithful in a world that denies Him.

We are excited to announce Keith Boggs, founder of Real Momentum and a well known revivalist, conference speaker, prayer summit leader, teacher, author, blogger, and Men's ministry coach, as our keynote speaker. Counselors from CO3 and area pastors will be teaching breakout sessions. There will be time for browsing various walk up workshops as well throughout the day. Topics include: Leading Family Worship, Discipling in the Digital World, Healthy Communication in Families, Parenting the Challenging Child, When Anger Rules Your Home, and many others. There will also be an Abide conference running simultaneously for our youth ages 13 through college age.

The Conference is designed to connect with and serve our local community, and to provide a means of awareness about biblical resources that can assist families, youth, and individuals in their day to day lives. You can attend this conference as an individual for \$55, a couple for \$85, and a teen are \$30. At this time, we do not have a program for children under 13, but we hope to work toward that in future conferences. If you register now, you qualify for an early bird discount. Registration includes three workshops, lunch, and parking. For more information about how to register, go to www.cordofthreecounseling.org and click on the Faithful Family Conference logo.

We invite area churches and local businesses to come alongside us with a sponsorship of this event in hopes that it will make a strong impact toward Cultivating Christian Community.

We hope to see you there.
